## Hard Cider

### Snowdrift Cider Company, Wenatchee, WA

"We craft our ciders from great cider apples that we grow on our orchard in sunny East Wenatchee, WA."

#### Orchard Select 6/22

Semi-dry cider is distinctly bright, rich and full of body. Bright summer fruit flavors shine through a honey smoothness and finish with delicate floral aromatics

#### Cliffbreaks 7/24

Rich deep golden color with full body. A light sparkle carries classic English cider and bittersweet apple aromas with flavors of melons and dried fruit. Balanced with just enough sweetness
